

THE CASE FOR PRO-LIFE PART 1

THEOLOGY OF THE BODY

1. Was this a different way of thinking about Genesis than what you have been taught in the past?
2. Have you been personally affected by the consequences that Pope Paul VI predicts in *Humanae Vitae*?

THE SEXUAL REVOLUTION

1. What did you learn about the history and side effects of the hormonal birth control pill?
2. How did the pill contribute to the sexual revolution? How did it change the relationships between men and women?

ROE VS. WADE

1. How did the Supreme Court justify legalizing abortion?
2. How does Roe vs. Wade create unlimited access to legal abortion?

ABORTION FACTS

1. Do any of these statistics surprise you? If so, why?
2. Why isn't abortion the solution to protect the health of the mother?

THE SPIRITUAL REALITY

1. Why is Mary considered to be the New Eve? Why are Mary and the serpent at odds?
2. How do we see this struggle between the woman and the serpent play out in our lives?

THE CASE FOR PRO-LIFE PART 2

WHEN DOES LIFE BEGIN?

1. When does life begin according to biology text books?
2. What happens at the moment of fertilization? Did it surprise you that so many traits are determined from this point?

FETAL DEVELOPMENT

1. Which developmental milestones were the most shocking to you? In which trimester did they occur?
2. Are you surprised by the percentages of abortions during each trimester? Were you surprised by the number of states that allow abortion up until birth?

PRO-LIFE RESPONSES TO PRO-CHOICE ARGUMENTS

1. Which pro-choice argument do you hear most frequently? What is the pro-life response to this argument?
2. Which of these pro-life responses resonated with you or impacted you the most?

PRO-LIFE IS PRO-WOMAN

1. Why does being pro-life support women more than being pro-choice?
2. What resources should we give to women to support them in choosing life and accomplishing their goals?

ALTERNATIVES TO ABORTION

1. Why is abortion often seen as preferable to adoption for many women?
2. What are some ways that women can be supported in carrying their babies to term?

ADVOCATING FOR LIFE

1. How can you help us create a culture of life?
2. What organizations are you interested in getting involved with?
