

Join us for an unforgettable evening at the 17th Annual “Pro-Life is Good” Gala, hosted by Culture of Life Family Services on October 24, 2026, at Paradise Point Resort Conference Center.

In 2026, we celebrate a remarkable milestone—**25 years of life-affirming service** to women, children, and families across San Diego County. As **the only Catholic-licensed community medical clinic in Southern California**, COLFS has served thousands through medical care, counseling, and compassionate support rooted in the dignity of every person—and **we are continuing to grow to reach even more families in need**.

We are especially honored to welcome **keynote speaker Abby Johnson**, a nationally recognized pro-life advocate whose courageous witness has helped shape the movement across the country. Her story will bring powerful inspiration to this milestone celebration.

Be part of this special evening as we reflect on God’s faithfulness over the past 25 years and look ahead to expanding our mission. Join fellow supporters, staff, and friends of COLFS for an inspiring night of fellowship, celebration, and renewed commitment to building a culture of life.
